ORDER:

In the reference 2nd read above, the Chief Executive Officer, Andhra Pradesh Food Processing Society (APFPS), Vijayawada has stated that APFPS, is implementing Prime Minister Formalisation of Micro Food processing Enterprises (PMFME) Scheme, a Centrally Sponsored Scheme (CSS) to support formalisation of unorganised micro food processing enterprises in the State as the State Nodal Agency (SNA). The expenditure under the scheme would be shared in 60:40 ratio between Central and State Governments as per the O.M. Issued by, MOFPI, GOI; dt:23.03.2021.

2. Further the CEO, APFPS while explaining the procedure for implementation of the Scheme has stated that, in the first year of PMFME scheme launch & implementation i.e., FY 2020-21, 100% funds were released by the Central Government because the scheme was launched after the State budget was approved. However, the requisite share of the State (40%) needs to be adjusted in the next four years as Equal Annual Instalments.

3. Out of the Rs.56.53 Crores approved for FY 2020-21, an amount of Rs.34,98,39,000 was released as Grant-in-Aid by the Central Government, which also includes Rs.75,00,000 for incubation centers. The Centre & State share for the aforementioned Rs.34.98 crores would work out to Rs.20,54,03,400 and Rs.13,69,35,600 respectively. The State share for the FY 2020-21 has to be adjusted in 4 years. Therefore, an amount of Rs.3,42,33,900 has to be provisioned in the budget of 2021-22 towards the Equal Annual Installment adjustment for FY 2020-21.
